Great. I will have you on standby and call the number on your signature line if the trial goes forward. How long would it take you to come to the court once we call you?

I have nothing scheduled that day. Please fax or email summons, mail service on the UMass campus is often delayed.

5/9/11

Hi James,

My name is Carla Sauvignon and I am an ADA from Taunton District Court. You are the chemist for the above case and it is currently scheduled for trial on 5/18/11. You will be receiving a summons and I don't know what your trial schedule is that day but if its anything like Annie's then I would like to have you just on call. Please let me know if your schedule cannot permit you to be here or on call as well. The above case is scheduled for motion to dismiss on the same day as the trial and we will deal with that first. You will be getting a summons soon.

Can I get a phone number for you to have for the on call status?

Thanks.
